

Are you looking for an amazing career? One that others can only dream about!! Become a part of the way the world learns to dive, become a **PADI Open Water Scuba Instructor!** The **PADI Open Water Scuba Instructor** rating is the first PADI professional level certification that allows you to independently teach PADI Programs up to and including the PADI **Divemaster Course.**

You must complete the **PADI Instructor Development Course** prior to being certified as a **PADI Open Water Scuba Instructor**

. The IDC Course includes workshops in the following areas:

- Knowledge Development and Teaching
- Confined Water Teaching.
- Open Water Teaching.
- Water Skills.

To register for an IDC/IE Course you must:

- Be certified as a PADI Assistant Instructor or a PADI Divemaster, or as an instructor with another recreational diver training organization.
- Be at least 18 years old.
- Have been a certified diver for at least six months and logged at least 60 open water dives with experience in night, deep and navigation prior to beginning the Instructor course, and have been a certified diver for at least 6 months and logged at least 100 dives prior to entering the Instructor Examination.
- Hold a current First Aid Certificate.
- Have a current fit to dive medical form signed by a physician.
- Want an exciting and rewarding career!

PADI Instructor Development Courses are run at different times throughout the year. If you are interested in registering for a PADI Instructor Development Course, please call Action Divers for
