PADI Open Water Course BASIC

\$420.00

The **PADI Open Water Course Basic** has been designed for those with time or budget constraints. Whilst you still receive the top shelf instruction and shore dives, you just don't join in the boat dives.

By the end of this course you will be a certified diver which will expand your opportunities and open a door to a whole new world of fabulous dive destinations, exciting people and unlimited adventure!

Are there any prerequisites?

Anyone over the age of 12, with reasonable levels of fitness, is medically fit to dive and is water confident. Anyone with a keen sense of adventure is a perfect candidate!

How long does it take?

The total course time is 3 full days, the structure of those tailored to suit your needs. Courses may be run over weekdays; evenings and weekends; or a set day per week for 3 weeks. We are extremely flexible when it comes to our student divers needs.

What is included?

- Use of full set of scuba equipment including mask, snorkel and fins, however due to safety, hygiene and comfort we strongly recommend you use your own snorkeling equipment. Our team can advise you on the best equipment for your needs if you wish to purchase it and give you a 10% course discount.Â
- PADI Open Water Crew Pack (manual, log book, tables & medical form)
- Supervision during theory quizzes and final exam.
- Practical Instruction and Supervision including five confined water modules in a local ocean pool and four open water modules undertaken through four shore dives.
- PADI Certification Card and Wall Certificate

What do I need to bring?

- A "Fit to Dive" Medical form signed by one of our referred physicians (medical is provided in your Crew Pack)

- Crew Pack
- Swimmers and Towel
- Lunch
- Hat and Suntan Lotion
- A big smile!
